

FOR IMMEDIATE RELEASE
JUNE 10, 2019

KANSAS CITY, Mo.—Alpha Gamma Rho is pleased to announce the addition of Tyler DuBry to the AGR Home Office Staff. He will be serving the National Fraternity as a Chapter Consultant.

Brother DuBry grew up in western Nebraska and spent his summers in New Mexico assisting the family honeybee operation. He attended New Mexico State University (NMSU), where he was initiated into the Alpha Lambda Chapter in the fall of 2015. Recently, he graduated with a bachelor's degree in agricultural economics and agricultural business and a minor in business administration.

While attending NMSU, he served his chapter as through various executive officer roles including Noble Ruler. Brother DuBry was also involved with the NMSU Football Team, Agricultural Economics Club, National Agri-Marketing Association, Interfraternity Council and the student government.

DuBry looks forward to meeting and providing resources to brothers across the nation. "Through this I hope to make an impact on AGR while traveling and exploring the diverse agriculture of the country."

###

Alpha Gamma Rho is a fraternity sharing a common bond within a dynamic, global agriculture committed to fostering the highest values and providing each and every brother with superior lifelong personal development and professional success.
