

## AGR Display Rental

The AGR display is a great tool for promoting your chapter and encouraging men to join Alpha Gamma Rho Fraternity! We have recently updated the display incorporating our new mark into the graphics to more accurately represent Alpha Gamma Rho.

The display is composed of a frame with five printed panels which the chapter will fasten to the frame. When set up, the display measures approximately 8' wide, 5'4" high, and 1' deep. The shipping weight of the display is approximately 55 pounds. It will arrive disassembled in a red rolling carrying case via UPS.

The rental cost for the display is \$70 plus UPS ground shipping fees. Once the display is shipped, the Home Office will bill the chapter. The chapter pays the UPS shipping fee to return the display to the Home Office.

Reserving the display early will result in a greater probability of getting the display for the dates required. To reserve the display, e-mail Jane Josephson at [Jane@AlphaGammaRho.org](mailto:Jane@AlphaGammaRho.org) or phone 816.891.9200 ext. 15.
